community.

Hygge (pronounced "hoo-ga") is defined as a quality of coziness and simplicity that creates a feeling of contentment or well-being. Hygge is a concept largely practiced in Scandinavian cultures.

You're invited for an evening of warmth, community, and hope. You'll leave with your own candle to shine throughout the winter months. You're welcome to bring your own candle container - we'll have some too!

Welcome visitors to UNITED LUTHERAN CHURCH

Welcome to worship at United Lutheran Church, we are glad you are here. We are United, proclaiming God's salvation by welcoming all to LIVE, LEARN, and SHARE the LOVE of

Jesus Christ. Please take a moment to fill out a visitor card in the pew and place it in the offering plate.

We have a gift for all visitors. Outside the north entrance to the sanctuary, there is a coffee mug for you with a brochure about United Lutheran. It is our way of saying it is a joy to worship with you today! Please stop by the table and pick one up.

Restrooms are located in the Fellowship Hall directly below the Sanctuary at the bottom of the stairs from the narthex. Check out the calendar below for what's happening at United in the week ahead.
